EDUCATION

Virginia Tech (2025 - 2029)

Blacksburg, VA

Bachelor's of Science, Computer Science

Washington-Liberty High School (August 2021 - June 2025)

Arlington, VA

- High School Valedictorian
- Student of the Semester (2x)
- Recipient of College Board's National African American Recognition Award

Northern Virginia Community College (July 2024 - August 2024)

Arlington, VA

- NOVA E-Summer Program that was a hybrid of online and in-person classes. I took two courses for a total of 4 credit hours. CSC-221 (Introduction to Problem-Solving/Programming (3 credits)) and SDV-100 (College Success Skills (1 credit)).

PROJECT EXPERIENCE

Python 2D Platformer Math Game

Arlington, VA

High School Senior

September 2024 - May 2025

- Made a 2D Platformer Game in Python that prompts you with math problems that test your basic arithmetic skills every time the player kills an enemy. Used Object-Oriented Programming (OOP) and third-party library pygame to access and implement game dev functionality into the Python language.

VOLUNTEER EXPERIENCE

Community Volunteer

Crystal City, VA

National Landing BID

November 2024 - November 2024

- During a Saturday for two hours, I willingly participated in a community cleanup, removing trash and other miscellaneous items off the streets of Crystal City with grabbers and placing them in a bucket provided to me by the organizers from National Landing BID.
